### APPLICATION FORM

**Application deadline: March 15, 2024**

The fund was established in 2007 thanks to the generosity of Mrs. Scheidel, whose personal history included returning after a significant interruption to get her Illinois degree.

Scholarships are awarded to undergraduate students majoring in one of the departments in the School of Literatures, Cultures and Linguistics (SLCL) in the College of Liberal Arts and Sciences at the University of Illinois at Urbana-Champaign, who have overcome significant hurdles to achieve academic success. Recipients must be enrolled in one of the SLCL departments in the year in which they hold the award.

Whenever possible, preference shall be given to female students and, if candidates can be identified, female students returning to higher education after an interruption due to any circumstances and who demonstrates financial need.

The scholarship may be used for any education-related expenses including tuition, fees, books, childcare, supplies, parking, transportation, and room and board.

Up to four \$1,000 scholarships may be awarded for the academic year.
